Lenexa, KS 66219

Dear Mr. Gravatt:

Please find attached the Isolation Barrier Alignment Alternatives Assessment Report for West Lake Landfill in Bridgeton, Missouri. Per the Environmental Protection Agency's request, the U.S. Army Corps of Engineers prepared this report to document our qualitative assessment of the conceptual isolation barrier alignment alternatives proposed by Republic Services, Inc. and their subcontractors.

If you have any questions regarding the attached report, I can be reached at (816) 389-3615.

Sincerely,

A handwritten signature in black ink, reading "Robyn V. Kiefer", is positioned below the word "Sincerely,".

Robyn V. Kiefer  
Project Manager
